-A decision was made to re-convene at 19:00 for the final voting process.

-A protocol for final judging is discussed by the three present jury members (AG,LD, MR) and agreed upon, pending approval by other two jury members, which is as follows:

-Jury members as individuals will place a green sticker on the three schemes to be given Honorable Mention.

-At the end of this process, the entire Jury will discuss the schemes which received the most stickers, and decide as a group on the First, Second and Third prize winners, and the three Honorable Mentions.
